
The Homework Help Program is available for students who need assistance completing their assignments and/or missing or late assignments. Mrs. Van Horn is the Homework Helper supervisor, and the program is available Monday – Thursday from 3:10-4:10 P.M. in room B112. Students are expected to come prepared to work -- which means they should come with their iPad, assignments, textbooks/workbooks, and any other needed materials.

If you wish for your child to attend the Homework Help Program, complete this form and have your child return it to Mrs. Van Horn the first day he/she reports for the program.
