Plan Items)

1 Achievement and Growth

Description:

All students will be engaged in rigorous math and reading curriculum and explicit instruction to increase their proficiency by 5% on the 2024-2025 state summative assessment while continually increasing individual student growth.

1.1 WVGSA & iReady Reading and Math

Description:

Students will complete the iReady Reading and Math Diagnostic 4 times a year. Teachers will be able to analyze reports that note the correlation between iReady diagnostic performance and anticipated performance on the WV/GSA. Teachers will strategically assign interims to students based on the skills that they have taught and need to assess to gauge mastery of standards and anticipated performance on the GSA at the end of the year.

1.1.1 Utilize multiple forms of assessment to measure student learning outcomes

Description:

Students will be engaged in both assessments created by the WVDE, iReady, and teacher created assessments (formative and summative) that gauge the effectiveness of instruction and students' mastery of the standards.

1.1.1.1 WVDE Interims in ELA, Math, & Science

Description:

Teachers will assign math, ELA, and science interim assessments as well as teacher created interim assessments to monitor students' mastery of the standards.
